

Inclement Weather Policy

The following media outlets will be notified if services or programs are canceled: WAVE-TV; WDRB-TV; WHAS-TV; WLKY-TV; WHAS-Radio; www.deerparkbaptist.org; 451-7220 answering machine.

It is the recommendation of Deer Park Baptist Church that all people should use good judgment when deciding if conditions are too bad for attending programs during inclement weather. We want everyone to be safe.

If Jefferson County Schools are dismissed for the day, all morning programs including Children's Day Out will be closed. If weather conditions improve during the day, afternoon and evening programs may be held as scheduled.

If Jefferson County Schools are dismissed early, all evening programs will be canceled. However, the Pastor, Moderator and Trustees representative can determine if conditions are satisfactory for programs if weather condition change during the afternoon.

Even though we will make every effort to have our Sunday morning worship service, cancellation of weekend services will be decided by the Pastor, Minister of Worship, Moderator, and the Trustees representative. (We have only canceled worship three times in the past thirty years due to ice.)

Volunteers, that are able, are encouraged to help shovel snow to the entrances of the building.

Clearing of parking lot will be left to the decision of the Trustees representative in consultation with the Pastor.

During weather related crisis, the church may be open to minister to church member needs.
